

# WANTED

## For questioning

**Adrian Oliver, of Dolmans, Cardiff, failed to disclose police records for Barbara Wilding, Chief Constable of South Wales Police, causing her to swear a false affidavit denying court cases ever even happened!**

**He then had me arrested and jailed, to delay civil proceedings, on a promise that a Court Order, to disclose that evidence, may be ignored.**

***Avarice appears to obviate the 'mediation procedure' following his estimated costs, from me or the tax payer, exceeding £800,000***
