	Def	Someone who feared for my safety
5088		Who's that?
	Def	Well you know who it is, why do you have to ask me again
5088		So you attended there with someone?
	Def	I attended for the purpose of witnessing Rogan lying again, denying that they have my passport.
5088		But did you actually attend the prison with anybody or were you on your own?
	Def	Yes
5088		You attended who with?
	Def	The chap you know
5088		You attended
	Def	You saw him there standing beside the door of the prison
5088		I haven't been there ok
	Def	Oh wasn't it you?
5088		No, no
	Def	Oh right
5088		Ok
	Def	I am sorry
5088		So your saying that your attended Cardiff Prison
	Def	Yes
5088		With David Rogan?
	Def	No Rogan is the prison officer and I went there, they took my passport about a month ago
5088		Did you go to the prison on your own today?
	Def	No
5088		Who did you go with?
	Def	With a witness
6.39	5088	And who's that?

Tape Counter Time	Person speaking	Text
	Def	Well at this moment in time, I am not sure I will subject him to this sort of treatment. I am experienced in it, I am not allowing somebody who worries for my life, worries for fear of my safety, who volunteered to come along
5088	Def	Ok so he was present there today?
	Def	Yes
5088	Def	Ok and you're not willing to give me at the moment his details to assist me?
	Def	Not without his permission
5088	Def	And why did you go there?
	Def	Because the recorder of Cardiff put it across to the CPS in words of sign language or based on experience that I pick up when I look at somebody to see if they're telling a lie or telling the truth, or helping or obstructing law, the law of the land. The lady knew, her ladyship knew, that for some weeks I had been trying to obtain my legal papers, my clothes and my passport from the prison and only because I went before her ladyship about a week ago, that I managed to get a police officer here, by the name of, I forget the name now, got it written down, I have a piece of paper, his name is PC Watts and he rang me yesterday saying that the prison now admit that they have the passport, but before that, I had visited the place twice to retrieve the passport, and each time the same man, Rogan, thought it very amusing through the glass to say that they did not have it, they did not have my legal papers, they did not have my clothes
	5088	Ok so you went there to retrieve your personal items?
	Def	And for no other purpose
	5088	Ok and who did you speak to at the prison?
8.52	Def	A Mr Rogan

	5088	Yeah anybody else?
	Def	I think not no
	5088	Ok when you went to the prison
	Def	Do you mean today on each occasion, I don't think I spoke to anybody else
	5088	No I am talking today, you approached the prison, is it the reception area or where did you go in the prison?
	Def	Yes reception area
	5088	Ok and who was on that reception area?
	Def	Rogan
	5088	Anybody else that you recognise?
	Def	Sorry no I've got that wrong, I went there, there was a white haired prison officer, and they went off to investigate my request, this is at 12.55, I decided I told him that if I didn't get my passport, there was likely to be a problem and I left it for about 20 minutes, I then rang Bridgend HQ Police, on the 22111 number, which is not the 999 number of course, I explained to somebody twice, two different people possibly, I then went back then roundabout half hour later, I rang the same number and I spoke to somebody called Chris I think and explained again, what happened then, well I asked for the police, I said I want the police here there's going to be a likely breach of the peace
	5088	Ok and where were you stood when you were making this call?
	Def	Standing outside the main where all the visitors to prisoners were gathering for
	5088	The main entrance was it?
	Def	Yes
	5088	Ok so you were on the phone and then what happened?
11.00	Def	I don't know if err, I went on down to the green grass where they'd

	Def	I can't remember which side
	5088	Ok did he give you permission to do that?
	Def	I didn't ask for the permission
	5088	You didn't ask him for permission?

	Def	His what?
	5088	His wrist area, there's his watch, this is his arm, it's like the inside of his arm, did you cause those injuries today while you placed your hands on this male?
	Def	I couldn't have done it on his shoulder
	5088	No this is on his arm I am showing you here

	Def	The main door, the main sliding door where the vehicles go through
	5088	Ok were you allowed access into this area?
	Def	I wouldn't have a clue
	5088	Was there any sign up saying it was prohibited?
	Def	I was not there to read signs, I just heard this man lying to me again. That's the trouble, you have an inherent culture based on deceit, that is the problem around here
	5088	Did you attempt to make a citizen's arrest?
	Def	I didn't attempt
	5088	Or did you make a citizen's arrest?
	Def	I said, "where is the passport?" and he thought it was all very amusing so I placed my hand on his shoulder and I said, "I make a private person's arrest" which is the correct expression for that, lawful manoeuvre
	5088	And why were you making a private person's arrest?
	Def	Because he had knowingly, permanently deprived me of my passport
	5088	Why him?
	Def	Because he was the one that featured when I went back for the third occasion, he took it upon himself to deal with it
	5088	Did he have that, did you believe that he had that passport on him at that time, when you made that private person's arrest?
	Def	I have no idea. I asked "where is my passport?" Whether it was on him or not I don't know, I asked for the police to attend and they hadn't, so I arrested him
	5088	So you took it upon yourself to arrest him on that
14.32	Def	Well no one else was going to help, all the prison officers thought it

	5088	Wrist
	Def	I never touched his hands, until he agh I see he must've used his left hand up to take yes that's right, yes he would've used his left hand to wrench my thumb back so it was like that yes that's right that would fit and he had pulled me down so, no hold it, so he went where are those marks on his wrist yeah so what's he got on his person that could've caused that
	5088	I'm asking you right, I am showing you a photograph, did you cause those injuries to his wrist
	Def	No he did, no because he was pulling my hand off his shoulder that way and I expect he's got buckles or he's got a badge or something cos it wouldn't have happened on the surface of cloth, there will be something on his shoulder unless he chose to do it afterwards and bashed it up against the wall in order to get a photograph taken, when was that photograph taken?
	5088	Afterwards when police have attended
	Def	Oh you mean the police took it?
	5088	Yeah at 14:20
	Def	Right so he had a long time to think about setting up a story déjà vu
	5088	So you're saying that you didn't cause that injury?
	Def	From what I can remember I couldn't have done, I can't rule it out because he, yes I think I can rule it out because I can't see how I could've done, I never put my hands on him other than on his shoulder
	5088	You've said that you've grabbed his shoulder
	Def	I didn't say I grabbed his shoulder, I put my hand on his shoulder, you are, I am making a private person's arrest
17.54	5088	Ok and you grabbed his shoulder yeah?

5088		You placed your hand on his shoulder
	Def	Yeah and then he, that's right he used his left hand
5088		To pull your thumb away
	Def	Because I was like that, he then pulled me down
5088		Did you place your hand anywhere else on his body?
	Def	I don't think I did
5088		Ok 'cos he's saying in his statement that you've placed your hands on his right shoulder and left wrist did you?
	Def	No he caught hold of, he came up and caught my left wrist to pull it off
5088		And did you approach him to make the arrest or did he come to you?
	Def	I can't we were standing so close together I don't know if anybody approached either I can't answer that one I am afraid, you got the video
5088		Ok so you've walked up to him and made a private person's arrest
	Def	No, no you've just, so who says I walked up to him
5088		No ok you've made a private person's arrest and placed your hand on his shoulder
	Def	Yes
5088		Ok so you're close enough to him, at least an arm's length away
	Def	Yes like that yes
5088		Ok so you can remember that, then what happened, he's peeled your hand from him?
	Def	That's a good way of putting it except it wasn't it was quite violent
5088		Ok but would you say that were you holding him with force?
	Def	I can't say, I can't answer that, holding what

5088		And then what happened?
	Def	Can't remember
5088		You can remember quite a lot but its just on the
	Def	Well chivvy me on an I might remember, what does he say I did and I can say yes or no well not always but I mean I can
5088		He said you've walked away from him
	Def	Yes I did yes
5088		'Cos he's broken free from you and then you've walked away and made a call to the police
	Def	I went up the far end of the place and I found, did I
5088		Yeah
	Def	Good so the time that I phoned, that would be the third time I phoned the police
5088		Yeah
	Def	I'd forgotten, I don't even remember doing that. I was quite shocked with the pain that he caused but I actually...
5088		Pain he's caused you?
	Def	Oh yes
5088		Where has he caused you pain?
	Def	Well in my thumb, its standard way in your training well you know that its part of your training
5088		Did you believe you had lawful reason to put hand on him
	Def	Yes of course I did or I wouldn't have done it
5088		Ok, did he give you permission to put your hands on him?

5088		Was Mr Rogan abusive or violent towards you?
	Def	Yes, yes
5088		How?
	Def	We'll save that one for court I think
5088		Was this before you made the private person's arrest?
	Def	Oh yes and on the first time I went there on the Sunday about two or three weeks ago, it's a reason for taking witnesses
5088		Did you want to hurt him?
	Def	I wanted my passport back. I am due to be a long way away today. I'd had permission from the judge to be allowed to leave the country which I find really quite interesting, I am not allowed to cross the Taff to the West it makes a whole new different meaning to the crossing of the Rubicon but I am allowed to have my passport and I repeated that information to her only about a week ago and it's only because I was in court that the police volunteered and phoned me yesterday to say its going to the prison, I suggest you go down there and get it but you've got Mr Watts on the premises he'll confirm that the police sent me to the prison to get my passport. I said, "no you should get it or they should bring it to the police" because I'd made a complaint, I'd gone into the police station what was that a week ago trying to make a statement of complaint that my legal papers were stolen by the prison, my coat and I think my shirt and my bow tie and my passport and the police as usual refused to take statements of complaint from me just like

		they won't give me DVD
23.00	5088	What grounds do you believe you had to make a private person's arrest and place your hand on Mr Rogan?
	Def	Because he had knowingly withheld important property knowing that the courts had already made clear to the police and prison that I was entitled to have my passport back without further delay
	5088	Placing your hands on him do you think it was proportionate...
	Def	Of course it was, alright then give me a good idea on what I should've done?
	5088	I am asking you, do you believe it was proportionate?
	Def	I had exhausted all reasonable means. If I'd been in a civilised area of Great Britain somebody would've made sure that that passport was available, when I left the prison for the first time, when I went back the second time and when I went back the third time and when I got back, there were four occasions
	5088	So tell me this, when people are released from prison yeah, they are given their property back, why...
	Def	But not with me they aren't
	5088	Why did they not release it?
	Def	Interesting because when I was arrested today out came 006 and they were carrying my legal papers that I had in my cell that they would not let me take from my cell on C Wing, C313 they wouldn't let me go from here to that door, four paces to get, they went in themselves they went through the drawers and they could see all my legal papers all laid out across the bed ready to be taken and one was a black box and you've got it out there the black box, there'll be some legal papers in there, I still don't know what they're withholding
24.50	5088	So why did this gentleman why do you believe that he had it not

	Def	Because the police what do you mean he was the prison
5088		So why Rogan, he is a prison worker yeah and not the prison has your belongings, so why would you arrest...
	Def	Because he told me the prison didn't have it
5088		But...
	Def	He told me on two previous occasions the prison didn't have it and then I raised it with the judge, her ladyship Ellery Rees recorder of Cardiff and following that I suspect caused a PC Officer who's here today, to ring me yesterday to say you're to go to the prison and they'll give it back
5088		Yeah but why do you believe...
	Def	I wouldn't have dreamt of going, I was there on my own and this person rang me just as I was arriving at the prison. He said you mustn't go near that place without a witness. I said, "look I don't want you dragged into any of this"
5088		Listen to me now
	Def	"Dragged into too much" don't interrupt me when I'm speaking isn't that what you said at the beginning
5088		But, I am trying to keep on point ok
	Def	Its extremely relevant. I was sent to the prison purely to get you to drum up another false imprisonment, another false allegation
5088		Ok
	Def	You and the prison staff you all think it's a big game and the more convictions you can get on Maurice Kirk the quickest way up your Masonic Lodge roll up trouser brigade or your promotion in the police force

	Def	I said a breach of the peace
	3119	Why would there be a breach of the peace?
	Def	Because there was somebody lying to a previous prisoner about a passport that the police had sent me to go and get that was a problem for the poor old chap Watts who was trying to assist
	3119	So do you think it's a police issue
	Def	Of course it is, it's theft
	3119	To retrieve your passport
	Def	Theft
	3119	Or could it be a civil matter whereby the prison hasn't released the passport for whatever reasons you and I don't know
